Paving the Way

What a Day! **Paving the Way** is a day full of activities to launch Furzedown Festival 2012 and to get you out and among your neighbours. The day includes the unveiling of our **Olympic & Jubilee Paving Stones**, a **Treasure Hunt**, over 70 **Front Yard Sales**, **Shop Front Sales** and **Happenings** on Moyser Road including activities at Sprout, Whale of a Time (come and find out what they do!) and crafts with Gillian at The Furzedown Project.

Olympic and Jubilee Paving Stones 12:00

2012 marks the Diamond Jubilee of Queen Elizabeth and the Olympic games come to London. The FCN has commissioned two specially engraved paving stones to celebrate both these historic occasions. At noon we start with the unveiling of our Olympic stone on Welham Road (Mitcham Lane end). We then make our way down to Moyser Road to the Furzedown Project to unveil our Jubilee stone.

Treasure Hunt 14:00-17:00

The Treasure Hunt includes elements designed for both younger kids and adults. It will last from 14:00 until 17:00 and you can do the hunt in one go, or gradually, while you check out the yard sales.

Pick up your first clue at locations marked on the map opposite.

If you wish, bring a camera and mascot and take a picture at each treasure point.

Happenings on Moyser Road

We're dressing up Moyser Road for the occasion – there are shop front sales, and activities including **Whale of a time** (in a tent outside Budgens) and **crafts** in the Furzedown Project and at Sprout.

SingalongaQueen

Then off home with your treasures for supper and to don your regal finest in time for **SingalongaQueen** at **Seely Hall**.

Thanks to Aspire, the Curtain Workshop and Budgens for their support of this event.

Saturday 16th June

Yard Sales

Front Yard Sales 14:00-17:00
 Over 70 yard sales across Furzedown are indicated on the map and are marked by Aspire signs on the road. Don't forget to bring your I ♥ Furzedown bag for all your goodies.
